

Podcast and Blog Resources

(These are only a fraction of the web sites out there that can help with any of these topics.)

Podcast Software (some free, others small charge depending on use)

Audacity

<http://audacity.sourceforge.net/>

Hipcast

Hipcast.com

Garage Band (also comes loaded on Apple computers)

Garageband.com/podcast

Podblaze

podblaze.com

Podstrike

Podstrike.com

Podcast Music

podsafeaudio.com/

Podcast Tutorials

WIKIHOW

wikihow.com/Start-Your-Own-Podcast

Youtube

Go to youtube.com and simply search for “how to make a podcast” and you’ll have more choices than you could ever imagine; some helpful, others not so much.

Blog Sites (some free, others small charge depending on use)

Blogger

Blogger.com

Wordpress

Wordpress.com

Typepad

Typepad.com

A Few Examples From Utah’s Cities and Towns

Kaysville’s City Blog
