

Increasing Public Involvement

Why do public involvement?

IAP2 Spectrum

Inform:

Keeping stakeholders updated throughout a process or project.

- Fact sheets
- Websites
- Open houses
- Email updates
- Fliers
- Door hangers

Involve:

Reflecting stakeholder input in the alternatives developed and providing feedback on how that input influenced the decision.

- Workshops
- Deliberative polling
- One-on-one meetings
- Focus groups
- Public comments
- Community advisory board

Empower:

Implementing the public's decision.

- Citizen juries
- Ballots
- Delegated decision
- Steering committee
