

# Land Use Planning 101

## A Training Session for Land Use Authorities in Utah

### Topics covered in this basic training session include:

- Statutory Powers and Duties of the Land Use Authority and Appeal Authority
- Review of Land use planning tools, general plan and ordinances
- General overview of meeting procedures and required public hearings and notice
- Open Meetings Training
- State Ethics review

**Who should attend? City/town council members, planning commissioners, members of the appeal authority and staff. Generally, any person who deals with land use issues in your municipality. Specialized training is available for Appeal Authorities in a separate 2 hour training. Contact the League to schedule a session.**
