

## Proposed Amendment to Resolution 2018-004

### I. Population growth and the housing gap

1. Utah cities and towns will ~~support~~ engage with other stakeholders to formulate and consider state initiatives ~~to that~~ facilitate the accommodation of population growth, and ~~to that~~ enhance flexibility of other revenue tools.
2. Utah cities and towns support expanding the use of accessory dwelling units where appropriate.
3. Utah cities and towns are willing to review zoning ordinances, regulatory ordinances, and processes to facilitate additional housing units (i) where the infrastructure can support them, (ii) particularly near current and future transportation corridors, and (iii) in a manner which that preserves local official decision-making.

(D) We, the members of the Utah League of Cities and Towns, further resolve that:

#### I. Legislative authority:

...

#### II. Revenues and planning for infrastructure and services:

1. Utah cities and towns will oppose any state efforts to restrict the municipal ability or reduce existing municipal revenues to fund infrastructure needs and public services.
2. Utah cities and towns will oppose any state efforts to disproportionately shift the burden of paying for necessary infrastructure because of new development from future residents to current residents.

2-3. Utah cities and towns will engage with the state to formulate and consider state initiatives for funding (i) the acquisition and development of transportation corridors of regional significance, and (ii) other infrastructure needs, which can accommodate future residential, commercial, and retail growth so long as such initiatives preserve local official decision-making.
