Sister City Sponsors (Partial List):
The Driving Route
(at least one million miles away by U-Haul)
The Driving Route Highlights:

- Border crossing
- The Dramatic Conclusion: The always fun
  Scenic West Texas Desert
  - Top speed at 58MPH (going downhill)
  - Squeaky shock absorbers

- UHaul Highlights:
  - Rio and Eagle Pass
  - Prick: Moab, Monticello, Cortez, Fort Stockton, Del

- Spanish Fork Chevron Station: Load up with health

- Food: I.e. beer, jerky, twinkies, doughnuts, diet coke, etc.
Sub for Santa Projects
New addition to Hospital and Emergency Access
Monday Morning: Informed, then, there would be no border crossing. Permit for the blankets and new born kits. Let's unload the truck.

...new born kits... you a permit for the blankets and we changed our mind and will give them back onto the truck... let's unload the truck...
Organizing medical equipment
Eagle Scout Projects
memories and mementos including the doors – Thanks Piccles Ngera!

Personally Impactful – I will reassure 28 years of service,
citizens whom are known but felt – both here and there.

The Benefits – are to provide caring, heartfelt services and goods to
is just about people serving people.

For City Council members and Mayors – You get to make

Sister City Relationship

Results of the hard work in establishing a
Conclusion

Let me introduce you to a person who can help create Sister City relationships.
