Due to the increased threat of serious illness and loss of life by the rapid spread of the COVID-19 virus, I, Christopher McConnehey, the Chair of the West Jordan City Council have determined that conducting City Council meetings at the City Hall or at another anchor location is likely to contribute to the spread of COVID-19 and would present a substantial risk to the health, safety, and welfare of the City’s residents, participants, and observers.

Therefore, pursuant to Utah Code 52-4-207(4), City Council meetings of this public body will be held only electronically and this determination shall expire thirty (30) days from the date the Chair of the West Jordan City Council signs the written determination.
