<tr>
<td>9:00AM—10:30AM</td>
<td>Vernal, UT</td>
<td>Vernal &amp; Uintah County's Innovation Hub&lt;br&gt;The Hub is a combo coworking center, rural online center, entrepreneur center, business incubator and business resource. The purpose of the center is to help and encourage the diversification of our Basin economy, connect entrepreneurs, provide business training and encourage our meager tech industry to grow.</td>
</tr>
<tr>
<td>9:00AM—10:30AM</td>
<td>Daybreak</td>
<td>Transportation Tour: Bicycle tour of active transportation facilities of Daybreak and surrounding areas.</td>
</tr>
<tr>
<td>9:00AM</td>
<td>Spanish Fork, UT</td>
<td>New All Abilities Park&lt;br&gt;This park is designed to have something for everyone, regardless of their abilities. See sensory gardens, zip lines and adaptable swings. Also learn what special materials were required to make the park truly accessible to all. Tour led by Dale Robinson, Spanish Fork Parks and Recreation Director.</td>
</tr>
<tr>
<td>10:00AM—12:00PM</td>

<td>Prep60 Hydro Power Facility—Olmsted Hydropower Plant</td>
</tr>
<tr>
<td>1:00PM—2:00PM</td>
<td>Springdale, UT</td>
<td>Tour new culinary water treatment plant&lt;br&gt;The plant is an 810 gpm conventional filtration plant that provides culinary water to the residents and visitors of the Town of Springdale. The water treatment plant is a critical piece of infrastructure in taking water from the Virgin River and treating it for culinary use.</td>
</tr>
<tr>
<td>1:00PM—2:30PM</td>
<td>Utah State University</td>
<td>Innovation Campus&lt;br&gt;From Utah State University dorms to Logan's waste water treatment center, learn about tracking and containing COVID-19 outbreaks through innovation in sewage monitoring with biological engineering professor Keith Roper. New sewage monitoring procedures can help municipalities stay healthy and safe. Learn how this technology could potentially help communities detect influenza or other communicable diseases in the future.</td>
</tr>
<tr>
<td>1:00PM—3:00PM</td>
<td>Holladay</td>
<td>Visit Historic Spring City&lt;br&gt;Also known as “Little Denmark”, Spring City is widely considered the best preserved example of a 19th Century Pioneer Village. It is one of just two cities in the United States to have its entire city limits listed as a historic district on the National Register of History Places. Mayor Cynthia Allred DeGrey will lead the tour and is a lifelong resident. Learn about Spring City’s art community and visit Horseshoe Mountain Pottery. Also see Town Hall, peek inside the beautiful Rock Chapel, historic D.U.P. Museums, and possible home tours. Mayor DeGrey, will also discuss the new 700 acre multi-purpose reservoir that will benefit their city. Remember to bring a few water bottles to capture free, sparkling water.</td>
</tr>
<tr>
<td>2:00PM—3:00PM</td>
<td>Holladay</td>
<td>Holladay City Tour&lt;br&gt;Tour Holladay City's City Hall/Park redevelopment, Village Plaza and overview of infrastructure changes. The tour will also highlight housing, public process, the SoHo Food Truck Park and upcoming proposals in, and around the area. Learn about Holladay City's Tree Committee, its purpose and goals.</td>
</tr>
<tr>
<td>2:00PM—3:00PM</td>
<td>North Salt Lake, UT</td>
<td>City of North Salt Lake Town Center Master Plan&lt;br&gt;The mobile tour will highlight the implementation of the City of North Salt Lake Town Center Master Plan, including future implementation of a BRT line, redevelopment projects along Highway 89 from I-15 off ramp to 350 N, including mixed use developments Village Station, City's Edge, Williamsburg, Towne Plaza and NSL City Center, as well as the major redevelopment planned for Hatch Park. Learn how the city is creating a vibrant center and implementing the plan and the lessons learned about development agreements.</td>
